EXHIBITS 8 & 9
AGREEMENT

Year 2001

For 9-1-1 Emergency Communications

This agreement is made between the Macon County Emergency Telephone System Board, hereinafter referred to as "Macon County 9-1-1", and the America Ambulance Service for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING (EXHIBIT 8)

Macon County 9-1-1, upon receiving a 9-1-1 call for emergency services in your jurisdiction, shall dispatch in the following manner:

Primary: Telephone (217) 753-6666. Sangamon County

Secondary: Via Teletype Message on LEADS Terminal CDC/ZLF.

AID OUTSIDE JURISDICTION BOUNDARY (EXHIBIT 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries until the appropriate jurisdictional agency advises that the response is no longer required and as provided for by state statute.

The legislative intent is that 9-1-1 calls should be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times, and places of all calls. The records of a participating agency will be made available to that agency upon request by the chief administrative officer of that agency or his designated representative.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

Any agreements or changes in agreements and operating policies must be approved by the Macon County Emergency Telephone System Board.

AGREEMENT

Year 2001

For 9-1-1 Emergency Communications

This agreement is made between the Macon County Emergency Telephone System Board, hereinafter referred to as "Macon County 9-1-1", and the Argenta-Oreana Fire Protection Dist., for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING (EXHIBIT 8)

Macon County 9-1-1, upon receiving a call for emergency services in your jurisdiction, shall dispatch in the following manner:

Primary: Fire Page on County Fire Frequency (154.980).

Secondary: Direct Dispatch via County Fire Frequency (154.980).

AID OUTSIDE JURISDICTION BOUNDARY (EXHIBIT 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries until the appropriate jurisdictional agency advises that the response is no longer required and as provided for by state statute.

The legislative intent is that 9-1-1 calls should be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

AID OUTSIDE JURISDICTION BOUNDARY (EXHIBIT 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries until the appropriate jurisdictional agency advises that the response is no longer required and as provided for by state statute.

The legislative intent is that 9-1-1 calls should be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP agrees to keep all records, times, and places of all calls. The records of a participating agency will be made available to that agency upon request by the chief administrative officer of that agency or his designated representative.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

Any agreements or changes in agreements and operating policies must be approved by the Macon County Emergency Telephone System Board.
